

The Daily Contact Prayers of Islam (Salat)

The Call to Prayer (Azaan)

Perform the Ablution

Face the direction of Mecca

State your intention to observe the Contact Prayer

Raise your hands to the side of your face and say "Alahu Akbar"

Standing: recite "The Key"

In the name of God, Most Gracious, Most Merciful

Praise be to God, Lord of the universe

Most Gracious, Most Merciful

Master of the Day of Judgment

Only You we worship; only You we ask for help

Guide us in the straight path. Guide us in the right path

The path of those whom You blessed

Not of those who incur wrath, nor the strayers

Bow and say "Alahu Akbar, God be glorified"

Stand and say "God responds to those who praise Him"

Prostrating say "Alahu Akbar"

During prostration say "God be glorified"

Sitting up say "Alahu Akbar"

Prostrate again and say "Alahu Akbar"

Repeat prostrations

At the end of every prayer, you may shake hands, hug each other, and/or exchange greetings. The custom is to say to each other, "Congratulations".

The Bottom Line:

If any differences arise among you,
behold me standing before your face,
and overlook the faults of one another,
for my sake.

- Baha'u'llah, Founder of the Bahai Faith

Ernie Schible will deliver a presentation based on his first-hand in-depth knowledge of the **unethical mining practices** in South America.
